Doo doo doo doo doo

Doo doo doo doo doo doo doo doo doo doo

Doo doo doo doo doo doo doo doo doo doo doo

Oh, oh, oh, oh, oh

A chair is still a chair, even when there's no one sittin' there

But a chair is not a house and a house is not a home

When there's no one there to hold you tight

And no one there you can kiss goodnight

Whoa, oh, oh, oh, oh, oh, oh

Girl

A room is still a room, even when there's nothin' there but gloom

But a room is not a house and a house is not a home

When the two of us are far apart

And one of us has a broken heart

Now and then I call your name

And suddenly your face appears

But it's just a crazy game

When it ends, it ends in tears

Pretty little darling, have a heart, don't let one mistake keep us apart

I'm not meant to live alone, turn this house into a home

When I climb the stairs and turn the key

Oh, please be there, sayin' that you're still in love with me, yeah

I'm not meant to live alone, turn this house into a home

When I climb the stairs and turn the key

Oh, please be there, still in love

I said still in love

Still in love with me, yeah

Are you gonna be in love with me

I want you and need to be, yeah

Still in love with me

Say you're gonna be in love with me

It's drivin' me crazy to think that my baby

Couldn't be still in love with me

Are you gonna be, say you're gonna be

Are you gonna be, say you're gonna be

Are you gonna be, say you're gonna be

Well, well, well, well

Still in love, so in love, still in love with me

Are you gonna be

Say that you're gonna be

Still in love with me, yeah

With me, oh, oh, oh, oh, oh

Still in love with me, yeah, yeah
